DISCLAIMER

In case that the records in your e-visa and passport differ, your e-visa will be deemed invalid. In the event that the information which you provide at your visa application and the information recorded in your passport differentiate, your e-visa will be invalid. If the persons recorded to the accompanying section of your passport are to travel with you, it is essential that they also get e-visa.

E-visa shall not be valid for purposes other than touristic and commercial trips. Visa applications such as work, study, etc. must be made via foreign missions of Turkey.

E-visa system does not monitor the days of your stay/residence in Turkey. Hence, it is your own responsibility to check whether your residence permit has expired or not.

Should your stay upon single entry without residence permit be longer than 30 days, you may well be sentenced to administrative fine and your entry into Turkey might be forbidden for a certain period of time.

In exceptional circumstances, it is possible that Turkish authorities may not permit an e-visa-holder to enter into Turkey. For more information, please visit <http://www.evisa.gov.tr/info>
